EXPLANATORY NOTE

This Amendment No. 1 to Form 10-Q/A (this “Amendment”) amends the Quarterly Report on Form 10-Q of Blueprint Medicines Corporation (the “Company”) for the quarterly period ended March 31, 2018, originally filed with the Securities and Exchange Commission (“SEC”) on May 2, 2018 (the “Original Filing”). This Amendment is being filed solely to include revised Exhibits 31.1 and 31.2, which replace the previously filed versions of those exhibits, to add language regarding internal control over financial reporting in the introduction of paragraph 4 of the certifications of its principal executive officer and principal financial officer pursuant to Section 302 of the Sarbanes-Oxley Act of 2002 (the “Section 302 Certifications”) as required by Item 601(b)(31) of Regulation S-K. This language was inadvertently omitted from the Section 302 Certifications attached to the Original Filing.

Except as described as above, no changes have been made to the Original Filing. The Original Filing continues to speak as of the date of the Original Filing, and the Company has not updated the disclosures contained therein to reflect any events that have occurred as of a date subsequent to the date of the Original Filing. Accordingly, this Amendment should be read in conjunction with the Original Filing and the Company’s filings made with the SEC subsequent to the filing of the Original Filing. The filing of this Amendment is not an admission that the Original Filing, when filed, included any untrue statement of a material fact or omitted to state a material fact necessary to make a statement not misleading.

Item 6. Exhibits

The following exhibits are filed as part of this Amendment.
